1. Judgment is **Real**.

- Our actions bring judgment.
- The God of the Old Testament and New Testament are the same... they focus on grace (Jonah 4:2)
- The type and duration of punishment is decided by the heinousness of the crime.
- We brought judgment ... Christ brings salvation.

2. Christ **Paid your Price Willingly.**

- It is not immoral for God to give His Son.
- This decision was made in love.
- Eternal life starts today! (not in eternity)

3. We Must **Believe!**

- The Gospel is unbelievable!
- The picture of the bronze serpent focuses on belief, not ability.
- Key: The Gospel is light, but the Holy Spirit opens eyes.

QUESTIONS

- Do you believe that only **Christ** saves?
- Have you put your **faith** in Christ?
- Do you experience **conviction** regarding sin?
- Do you have a **desire** to do right things?
- What would Christ have you **do** with this message?
